

## Maintenance Drug List

Below is a listing of approved Maintenance Drugs. You may receive up to a 90-day supply of these drugs. A Brand Name Co pay (Generic co-pay if generic equivalent) plus any appropriate Ancillary Charge applies to each 30-day supply or fraction of a 30-day supply. **A 30-day trial at your local retail pharmacy is required on all new prescriptions for a Maintenance Drug prior to obtaining a 90-day supply.** This listing may change from time-to-time. Note: some medications on the Maintenance Drug List are non-formulary and may require a higher or be subject to prior authorization. Please refer to your specific prescription benefits for Co-pay amounts.
